To: Seton Hall University

A group was proposed at Seton Hall University in New Jersey whose focus was to end discrimination on the basis of sexual orientation and to provide a support group for gay, lesbian, bisexual, transgendered, and heterosexual students.

This group was denied by the University.

In a time when equality is so formally threatened, we ask that the group T.R.U.T.H. (Trust, Respect, Unity at The Hall) receive full University recognition, subject to the same treatment as every other University group.

Sincerely,

The Undersigned
